EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on Wednesday, January 7, 2004, Mr. John Serio requested an extension of time for 1 MONTH and authorized the Director to charge Deposit Account No. 50-0369 the required fee for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE CLAIMS:

In claim 1, line 5, after the first word, "moisture", insert ",", and after "said moisture", delete "permits", and insert "enhancing",

line 6, after "polar", insert – and non-polar--.

Cancel claims 26-42.

2. The following is an examiner's statement of reasons for allowance: Examiner believes the claims, as amended, reflect an unobvious improvement over conventional tobacco filters which comprise a strongly acidic cation exchange resin and a strongly basic anion exchange, said improvement being an additional moisture content that is able to enhance the selective removal of highly reactive and appropriately polar and non-polar substances that are toxic and non-toxic. Such improvement is clearly

specified in the instant specification, page 26, lines 16-20 which states that moisture is key in achieving such removal, and, as such, enhances such removal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dionne A. Walls whose telephone number is (571) 272-1195. The examiner can normally be reached on Mon-Fri, 7AM - 4:30PM (Every other Friday off).
